*The disclosure, if any, required of a Consultant (as the term is defined in the Political Report Act and applicable regulations) will be determined on a case-by-case basis by head of the agency or designee. The determination of whether a Consultant has disclosure requirements is to be made in writing on a Fair Political Practices Commission Form 805. The determination should include a description of the Consultant’s duties and based upon that description, a statement of the extent, if any, of the disclosure requirements. Each Form 805 is a public record and should be retained for public inspection either in the same manner and location as the Conflict of Interest Code, or with appropriate documentation at the location where the Conflict of Interest Code is maintained, cross-referencing to the Form 805.*
The Fair Political Practices Commission, Regulation 18700, defines "Consultant" as an individual who, pursuant to a contract with a state or local government agency:

(i) Approve a rate, rule, or regulation;

(ii) Adopt or enforce a law;

(iii) Issue, deny, suspend, or revoke any permit, license, application, certificate, approval, order, or similar authorization or entitlement;

(iv) Authorize the agency to enter into, modify, or renew a contract provided it is the type of contract that requires agency approval;

(v) Grant agency approval to a contract that requires agency approval and to which the agency is a party, or to the specifications for such a contract;

(vi) Grant agency approval to a plan, design, report, study, or similar item;

(vii) Adopt, or grant agency approval of, policies, standards, or guidelines for the agency, or for any subdivision thereof; or

(B) Serves in a staff capacity with the agency and in that capacity participates in making a governmental decision as defined in regulation 18702.2 or performs the same or substantially all the same duties for the agency that would otherwise be performed by an individual holding a position specified in the agency’s Conflict of Interest Code under Government Code section 87302.

The disclosure required of consultant shall be determined on a case-by-case basis by the General Manager, or designee of the General Manager. The General Manager, or the designee of the General Manager, may make a determination as to what disclosure, if any, is required by any particular consultant.
